

C.A.R.E CLUB HEALTHY FOOD CANTEEN

Dear parents/guardians,

This **Wednesday, March 2** will be the last week for the Healthy Food canteen. We are going to try to sell the rest of our healthy foods on Wednesday and are offering a few deals.

Everyone who buys from the canteen will get a FREE WATER! Please remember to bring a reusable water bottle as we will not have enough recyclable bottles to give out.

Students can buy **3 snacks for \$2.00** and we will give an extra granola bar or yogurt tube to you. Snacks are also going at a reduced price - **2 snacks will cost \$1. 25** and **one snack is \$0.75!**

All our profits from the canteen will now be going to the “Relay for Life” fundraising campaign.

Thank you for your cooperation with this endeavour.

Mrs. S. Atherton
